US 41 from US 45 to Breezewood Lane

Project Construction Timeline April 2011 through May 2013

In 2010 crews widened the northbound lanes with asphalt. All traffic will be switched onto the widened northbound roadway in April 2011, at which time the contractor will begin rebuilding the southbound roadway. In 2012, all traffic will move onto the new southbound roadway while the northbound roadway is built. The project will be completed by May 2013.

This project also involves the re-construction of the **US 41** bridges over **WIS 76** and the **Canadian National Railroad spur**.

Traffic impacts:

- Periodic nighttime lane closures from 7 p.m. to 5 a.m.
